EXPLANATORY PREFACE

This Register contains the names of all the Elementary Schools of the Provincial System and of the teachers employed therein for the school term ending December, 1946. It also contains certain information regarding each school, including the name and address of each secretary, and also the name, address, salary and grade of certificate of each teacher.

For convenience, this information has been divided into four parts, as follows:

Part I—The Public Schools of the Cities, pages 6 to 76.

Part II—The Public Schools of the County Inspectorates, pages 78 to 467.

Part III—The Public Schools of the District Inspectorates, pages 470 to 544.

Part IV—The Roman Catholic Separate Schools, pages 546 to 704.

The cities are arranged in alphabetical order as are the Inspectorates for Part II. The Inspectorates for Parts III and IV are arranged numerically. An index of the Inspectorates of Cities, Counties and Districts has been provided on pages 708 to 710. A summary of the number of the several grades of certificates has been placed at the head of each City and also at the head of each Public and Separate School Inspectorate, and a general summary for the Province on page 705. Where the area of an Inspectorate includes a city, the summary for the Inspectorate includes the certificates of the teachers engaged in the city schools. The number of teachers and schools in each Inspectorate are also indicated in each heading. The rural schools are listed first in each Inspectorate in Parts II, III, and IV, followed by the schools of the urban municipalities.

It should be noted that the statistics contained herein have been compiled, not from the Departmental Registers, but from Special Reports by the Inspectors or Principals concerned. Frequent changes in the schools render absolute accuracy in the list of teachers impossible.

The Local Assessment is given for the Districts and for all urban municipalities—Equalized Assessment in all other cases.

A list of urban municipalities within the Province of Ontario and the assessed population of each is also included.
